

Centre of Performing Arts (COPA) is planning their spring recitals and getting a head start on the recital program that spotlights COPA's talented students. Our recital has proven year after year to give our students, families, staff and the community a memorable performance.

Each year we offer sponsorships to businesses and individuals to help increase our fundraising efforts and offset expenses of our event. We hope that you will consider supporting the students at COPA by becoming a sponsor. Sponsors will be recognized by their company logo or name placed on a poster that will be prominently displayed at the recital, as well as, placed on the sponsorship page in the recital program and announced to the audience before each recital begins. *A marketing effort that will reach hundreds of attendees at each of three recitals over Mother's Day weekend.*

Thank you for your consideration,
Centre of Performing Arts
